

Music at Bushfield - Register of Interest

We are very musical and every year, there is a lot of interest in taking part in the musical activities on offer. As a result of this we have to plan early to ensure viable group sizes particularly with regard to peripatetic music tuition for which there is a termly charge.

If you would like your child to take up peripatetic music lessons, complete the table on the following sheet and return it to school by Friday 18th June 2021. Guitar lessons are given for 34 weeks of the year, divided into three terms, £40 per term, commitment **must be for the whole year**.

Priority will be given to children already having lessons (if your child is already having lessons please confirm on the return slip that you wish them to continue).

In the case of over-subscription, children will be selected to have music lessons using one or more of the following criteria:

- That they are keen to learn
- That they have music ability
- That they will commit to practising regularly at home
