

## YEAR 5 – 3 DAY CLOSURE PACK

### DAY 1:

Grammar – please complete the grammar and punctuation test 1

Reading comprehension – read and answer the questions about the fiction text ‘Down the rabbit hole’

Maths – calculate the size of the angles at a point

Science – using your knowledge of real planets in our solar system, create a made up planet using the ‘Planet Fact File’ to record your ideas

### DAY 2:

Grammar – please complete the grammar and punctuation test 2

Reading comprehension – read and answer the questions about the non-fiction text ‘A beginners guide to coarse fishing’

Maths – Draw the shapes that have been reflected across a mirror line – remember to use a ruler!

Art – using your knowledge of Andy Warhol and your made up planet name from science yesterday, create a piece of artwork in the style of Andy Warhol

### DAY 3:

Grammar – please complete the grammar and punctuation test 3

Reading comprehension – read and answer the questions about the poem ‘How the leaves came down’

Maths – calculate the lengths of the missing sides from the compound shapes and then answer the reasoning questions

Geography – There are 50 states in the USA, you have been given a list of them. All of these states are also known by a 2 letter abbreviation. Can you match the name of the state with the abbreviation? Write your answer next to the state name.
